## **Health and Safety – our arrangements**

### **Organisation and responsibilities, and arrangements**

#### **Introduction**

Unity Education Trust Board has adopted the health and safety management system provided by Norfolk County Council and therefore expects all schools within the trust to follow the Unity Education Trust policy, our commitments, codes and guidance provided.

The following responsibilities have been assigned at our schools:

#### **The Trust Board**

Responsible for ensuring that suitable local organisational arrangements are in place for the management and control of health and safety within the school/ trust. We will ensure that:

- A written commitments statement is created and communicated which promotes a positive attitude towards health and safety in staff and pupils, and those we work with
- Local responsibilities for health, safety and welfare are allocated to specific people, and those people are informed of these responsibilities.
- A lead trustee for health and safety is nominated.
- People have sufficient experience, knowledge, resource, and training to perform the tasks required of them.
- Clear procedures are utilised which assess the risk from hazards, identify controls and produce safe systems of work that are communicated clearly to everyone who needs to follow them.
- Sufficient resources are allocated to maintain a safe and healthy work environment and operate safe systems of work.
- Health and safety performance is monitored and reported, and targets for improvement are set.
- The school's health and safety arrangements are reviewed annually.
- School staff are consulted on health and safety matters through arrangements agreed with the represented unions or other employee representatives.

- School premises are maintained to ensure that associated safety risks are sufficiently controlled.
- Our local management of health, safety and well-being considers the needs of anyone with a protected characteristic under the Equalities Act

### **Lead Trustee for Health and Safety**

The Lead Trustee for health and safety has the following responsibilities:

- To be fully and visibly committed to the Our Commitments statement document - for health and safety.
- To scrutinise and review local health, safety, and well-being performance.
- To provide support and challenge to the Headteacher and the Trust Board in fulfilling their respective local health and safety responsibilities.
- To ensure that suitable risk assessments of the premises and working practices are carried out, documented, and reviewed.

### **The Chief Executive Officer**

The CEO has the following responsibilities:

- To monitor the implementation of the health and safety policy to ensure that all parties carry out their responsibilities.
- To arrange for periodic health and safety compliance audits to be carried out and that action plans arising from the audit are owned by the establishment.
- To report on the progress of establishments delivering against their action plans to the Board of Trustees.

### **The Headteacher/Executive Headteacher (or equivalent)**

Responsible for all staff and activities under their control and will ensure that the requirements of relevant safety policies and procedures are implemented and complied with. The Trust Compliance Lead and Trust Estates Manager will provide support to the Headteacher or equivalent in carrying out this duty if requested.

**They will:**

Be fully committed to the Governing Body/Trust Board Our Commitments, ensuring that a positive health and safety culture is demonstrated and promoted through their leadership.

Ensure that appropriate risk assessments are undertaken by competent persons and that suitable control measures are taken on a risk basis to manage the health, safety, and well-being risks to staff and any other people who may be affected by the school's activities.

- Monitor and review health and safety performance through:
- Undertaking health and safety inspections of work areas/practices in line with relevant policy / Safe systems of work
- Setting local health and safety targets and objectives through appraisals and other supervisory reviews
- Reviewing and learning from incidents.
- Monitoring local contracted work under their control for compliance
- Ensure that the management of health, safety, and well-being in the areas under their control considers the needs of anyone with a protected characteristic under the Equalities Act.
- Develop adequate local safe systems of work and procedures and ensure that they are implemented and monitored.
- Ensure prompt action is taken to resolve any situations that may adversely affect the health, safety and well-being of staff or other people.
- Ensure that they undertake all relevant training and staff are given adequate information, instruction, training, resource, and supervision to carry out their duties, paying particular attention to new/inexperienced staff and trainees.
- Ensure that all plant and work equipment provided is appropriately selected through a risk assessment process, suitable, properly maintained, and subject to all necessary tests, examinations, and maintenance.
- Ensure that accidents and incidents (including near misses and instances of abusive and violent behaviour) are reported and investigated, and the findings acted upon without delay.
- Ensure information that may assist nominated safety representatives is provided to them.
- When commissioning work through partners and contractors, ensure that they are selected and managed in line with statutory requirements and the relevant procurement and contract management processes.
- Ensure that they seek timely assistance and advice where expert help is required from the Trust Directorates.

- Report to the School Review Board at least annually on the school's health, safety and well-being performance

### **Health and Safety Coordinator/Trust Estates Manager**

The Health and Safety Coordinator (or equivalent) has the following responsibilities:

- To coordinate and manage the local risk assessment process for the schools within the Trust.
- To coordinate local performance monitoring processes.
- To make provision for the inspection and maintenance of local work equipment.
- To manage / assist in the keeping of records of all health and safety activities including management of the building fabric and building services in liaison with the school's/the trust's appointed general property maintenance contractor and other contractors.
- To advise the Headteacher of situations or activities which are potentially hazardous to the health, safety and well-being of staff, pupils and visitors.
- To ensure that staff are adequately instructed in health, safety and well-being matters about their specific workplace and the school generally.

### **Teaching and support staff holding positions of special responsibility**

This includes Deputy/Assistant Headteachers, Heads of Faculty, Heads of Department, Business Managers, Caretakers/Site Managers

They have the following responsibilities:

- Apply the Trust's Health and Safety - Our Commitments statement, and the relevant health, safety and well-being Codes of Practice / guidance to their own department or area of work and be directly responsible to the Headteacher for the application of the health and safety procedures and arrangements
- Carry out regular health, safety, and well-being risk assessments / review of the activities for which they are responsible.

- Ensure that relevant staff are familiar with the health, safety, and well-being requirements for their area of work.
- Resolve health, safety, and well-being issues that staff refer to them, or refer to the Headteacher any matters for which they cannot achieve a satisfactory solution with the resources available.
- Carry out regular inspections of their areas of responsibility to ensure that equipment, and activities are safe and record these inspections.
- Ensure the provision of sufficient information, instruction, training, resource, and supervision to enable other staff and pupils to avoid hazards and contribute positively to their own health, safety, and well-being.
- Investigate any incidents that occur within their area of responsibility.

### **Teachers/Instructors**

Teachers are expected to:

- Exercise safe and effective supervision of their pupils, to know the related procedures, e.g., fire, first aid, control measures within lessons, and other emergencies and to implement them.
- Follow the health, safety and well-being measures in their own teaching areas as described in the relevant procedures.
- Give clear oral and written instructions and warnings to pupils when necessary.
- Follow safe working procedures.
- Require the use of appropriate protective clothing and machinery guards etc., where necessary.
- Make recommendations to their Headteacher or manager regarding equipment needs and improvements to the site, plant, tools, equipment, or machinery.
- Integrate all relevant aspects of health, safety, and well-being into the teaching process.

- Report all accidents, defects, dangerous occurrences and near misses to their manager.

### **Employee Consultation/Safety Representatives**

The Trust Board believe that consulting employees on health, safety and well-being matters is important in creating and maintaining a safe and healthy working environment.

Safety representatives of trade unions recognised by Norfolk County Council / the Trust will be consulted on all matters of health, safety and well-being that may affect staff and on the provision of related information and training. Non-union staff will also be consulted directly or via their nominated Safety Representatives.

Before making any decisions, which could have health, safety and well-being consequences for staff, the governing body will inform safety representatives about the proposed course of action and give them an opportunity to express their views and support the development.

### **All Staff**

All staff have individual responsibility to take reasonable care for the health, safety, and well-being of themselves and for others who may be affected by their acts or omissions. They must:

- Always comply with the school's/trust's health and safety - Our Commitments statement, and related procedures.
- Co-operate with managers in complying with relevant health, safety and well-being systems of work and procedures.
- Use all work equipment and substances in accordance with appropriate instruction, training and information received.
- Wear, use, store, maintain and replace personal protective equipment as appropriate.
- Not intentionally misuse anything provided in the interests of health, safety, and welfare

- Take part in and contribute to health, safety and well-being inspections, risk assessments etc. as appropriate.
- Report all accidents (personal injury and vehicle), ill health, incidents of abusive and violent behaviour, near misses, hazardous situations, general health and safety concerns, defective equipment, or premises.
- Attend all training relevant to their role.

## **Pupils**

Pupils, allowing for their age and aptitude, are expected to be coached and supervised where appropriate, in the following:

- Taking personal responsibility for the health and safety of themselves and others.
- Observe all the health and safety requirements of the school/trust and in particular the instructions of staff / supervision.
- Use and not wilfully misuse, neglect or interfere with things provided for their health and safety.
- The school should also seek to engage with carers or parents as appropriate to support safe and healthy behaviours.
